Method and apparatus for generating digital halftone images by

multi-color dithering

# **Letter of Inquiry**

Date: March 23, 2005

Commissioner of Patents and Trademarks

P.O.Box 1450

Alexandria VA 22313-1450

## Sir:

Since we have submitted our amendment dated September 11, 2003 in response to your Office Action of July 14, 2003, amendment which was received at the USPTO on September 16, 2003 (see enclosed photocopy of our return postcard stamped and dated by the USPTO), we have received no further communications concerning this application.

We would therefore like to know what is the present status of the above cited application, and what could be done in order to accelerate its processing.

Very respectfully,

R. D. Hersel

Roger D. Hersch, Professor I&C-LSP, Station 14, EPFL 1015 Lausanne Switzerland
